AGENDA

Call Meeting to Order

Welcome, introductions, and Sign-in

Purpose

Our vision is to establish and maintain an active Athletic Management Group, that supports Park and Recreation professionals in all areas of athletic management. The Group will provide an opportunity for professionals working with youth and adult leagues and programs, athletic facilities, school athletics, and youth athletic associations to meet monthly to share best practices, current and future trends, cultivate strategic partnerships, develop initiatives, share industry research, serve as a volunteer network for state wide events, and develop industry strategies in a Chaired forum.
