MRPA ANNUAL CONFERENCE 2022

DEAR PROSPECTIVE SPONSOR AND/OR EXHIBITOR:

The Minnesota Recreation and Park Association (MRPA) will host our 85th annual conference in October 2022. YOU are invited to participate as a sponsor or exhibitor prior to our general mailing and email blasts.

Since 1937, MRPA members have dedicated their time and energies to enhancing the park and recreation profession in their communities and in the state of Minnesota.

The MRPA Annual Conference is a great place for your business to get recognized while helping provide an educational and inspirational event.

Become a key sponsor and get your business in front of hundreds of park and recreation professionals and decision makers. Sponsorship opportunities and events during the four-day conference include: keynote speakers, break-out sessions, networking events, exhibit hall and more.

We believe that the conference is consistent with the mission of MRPA as we strive to:

- Provide continuing education, technical assistance, and social exchange among all members; and
- Serve as an information resource on trends/developments/future changes related to the delivery of parks and recreation services

If we can provide additional information to your business to encourage consideration of our request, please feel free to contact us. We would also be happy to personally meet with you and customize a proposal to fit your needs.
